280 seated guests fill our theater. Guests arrive early and enjoy preshow entertainment from our amphitheater while picnicking among the scenic property. Outdoor speakers allow unbroken entertainment for guests seated on the lawn.

Photography: When does your entire band have an opportunity to do a photoshoot at a picturesque Lavender Farm? We have arranged for a photographer to do just that as well as capture your performance. We will send you the images once they are edited.

ACCESSIBILITY & PARKING

Our venue is located in our restored events barn at Lavender Hill Farm located between Petoskey, Boyne City, and Harbor Springs. Our farm is small yet hilly with a large parking area in our Drying Shed Lot that can accommodate larger vehicles. Bands generally arrive earlier in the day and with support staff, can back a vehicle up to our barn ramp to drop off equipment if needed. Golf cart shuttles will be provided. After the show, guests are quickly shuttled to the parking area, and once they have cleared the ramp area, bands are welcome to load gear as needed.
